some grammar topics: alpha and epsilon contracts, -νυμι conjugation, conjugation and semantic range of τίθημι, consonant stem middle/passive perfects

some exercises (all with conditionals)

1. If you accept the money will you buy food (σίτος) and not spend it on wine? We need to eat!
2. If you were to acquire a great deal of money where would you put it?
3. If I had that kind of wealth I would spend it on flute-girls (αὐλητρίδες) and buy lots of horses!
4. If Agamemnon hadn't roused the men like that we wouldn't have won that fight.
5. They attacked (ἐπιτίθημι) all who had welcomed enemy ambassadors (πρέβυς).
